Message from the Headteacher

Dear SJB Parents and Carers,

Last week, you would have received a letter with information of our 'Safer Internet Day' which will be on Tuesday 11th February. I am looking forward to meeting with parents on the morning to discuss our roles in making sure our children are using their time on the internet responsibly and safely. We will also be holding weekly drop-ins on Tuesday mornings from 8:45 am for anyone who has questions or concerns regarding Internet Safety. You can meet with a member of our staff who can help you with any questions you may have.

The Primary Advantage Teaching Schools is holding a 'Train to Teach' information afternoon at St John the Baptist. This will be a great opportunity for anyone who is looking to pursue a career in teaching as it will give them the chance to look at different routes. It will be on Thursday 13th February and there will be two sessions in the afternoon. Please see inside the newsletter for more information.

Our monthly church service held at St John's Hoxton will now be on Wednesday mornings rather than Friday afternoons. This is something we are trialling in order to have more families come along to the service. Please keep an eye out for texts and on the newsletter for upcoming Church Service dates. Our first Wednesday service will be on 12th February. Please join us and be seated by 9:00 am.

We've had many sports competitions over the past few weeks with our children representing SJB across Hackney. One thing we always hear back from the organisers is the high level of sportsmanship, support and hard work our children display when they are at these competitions. Regardless of the outcome, they always show the best of their behaviour and are full of manners. It makes me proud to see our children exemplifying SJB's beliefs.

LDBS Service at St Paul's Cathedral

Last Friday, selected children had the opportunity to attend a service hosted by the London Diocesan Board for Schools to celebrate the family of Church of England schools here in London. It was held at St Paul's Cathedral and we were joined with children and staff from other Church of England schools. During the service, the children sang hymns and joined in with prayers for all of the schools within the LDBS and for the greater community.
