## Action Plan 2020-2021

St John the Baptist Primary School Sports Funding			
Action Plan 2020-2021			
Expected Funding - £17,950			
Intent	Cost	Implementation	Impact
To support and improve children's wellbeing.	£1800	Whole school assemblies, classroom displays promoting wellbeing of all staff and children. Continue promoting and supporting yoga and mindfulness sessions in class. Book workshops with professionals that include Yoga, Tai Chi and Qi Gong to focus on mindfulness, wellbeing, meditation and focus.	Positive mind set displays throughout the school. Whole school awareness of wellbeing. Weekly sessions planned.
To maintain and improve the amount and range of competitive sporting events provided.	£1800	Increase the number of children competing in sports in school and outside of school (within the federation and locally). 'House Day' planned to bring back sports competitions in the school between children in different colour houses.	More competitions entered and attended. Increase in number of children participating
Coaching support from specialist providers.	£8350	Coaches in school to enable pupils to have expert coaching in a broader variety of sports; dance, ballet, tag rugby, yoga and mindfulness. Workshops to be delivered for staff to learn skills to deliver and offer a broader range of physical activities during PE lessons. The additional coach continues to manage and deliver full curriculum requirements for PE. Provides variety of physical activity for all year groups during lunch time. Provide additional PE Sessions to further support health and skills development.	Wider range of PE activities being taught in school.  Continuity and development of skills observed with Badu systems and structures.
Promote an active lifestyle.	£2000	Plan and administer sessions and workshops in eating and healthy living for parents and families in order to have a better understanding of an active and healthy lifestyle. Teachers lead daily mile sessions.	Children's work on the importance of active and healthy lifestyles. An increase in the number of children able to run for the daily mile session.
Invest in equipment to support PE teaching and a range of activities in the playground during play and lunch times.	£2000	Replace or repair key pieces of equipment when required. Invest in equipment to support PE teaching and provide a range of activities in the playground during play and lunch times.	Increase in range of activities children engage in during PE lessons and break times.
Maintain wide range of after school sports clubs and activities.	£2000	Maintain wide range of after school activities – rotate them throughout the year as required. Continue to invite other professionals in to	Significant increase in active ASC options offered and positive feedback received from parents.
