How do I know which book my child should read?

Your child's teacher will tell them which Oxford Level (or Book Band) they are working on. Your child can then read any of the books at that level.

If you're unsure where to start - please call the school office on 0207 739 4902.

How do I find the right book or level?

To find the right level, click on the Levels filter at the top of the library, choose Oxford Levels or Book Bands as appropriate. Choose your level and then the books will be filtered so that you only see books at that level.

To find the right title, type it into the Search box.
