Dear Parents/Carers,

### School Uniform - September 2022

We are looking forward to welcoming all children back in September. This is an update on how to purchase uniform. St John the Baptist is very proud of its school uniform and every child is expected to wear it every day.

School uniform is to be **purchased online** : <https://www.brigade.uk.com/>

The supplier is Brigade Clothing. This is great because it means you can order school uniform and have it delivered.

Please find attached the school uniform list along with a shoe guide.

We understand from Brigade that there may be initially some delays for some items to be delivered so please let us know if this is the case.

Our school uniform is an outward sign of pupil's commitment to and pride in their school. It also ensures equality for all children. Children not in correct school uniform often feel awkward because they stand out from their peers. We expect all children to be in the correct school uniform including ties and black school shoes every day.

Any child not wearing school uniform will receive a letter and call home which will also go on their school file. Please let us know of any challenges. If you have any questions, please contact Joy Salmon at the school office.

School uniform does sometimes get lost or mislaid. Please help us to find it easily by writing your child's name on all items of clothing. If your child accidentally brings an incorrect item home, please return it to school the next day.

Yours Sincerely,

A handwritten signature in black ink that reads 'Toni Mason'.
