

Curriculum Overview

Autumn 1 2023

Holly Tree Class

Hello Holly class, welcome to a new school year!

I am thrilled with how settled you came back to school.

I can't wait to see how fantastic you are with your learning.

We have lots of interesting topics to explore this year such as Hoxton's history, all about the first flying machines to Victorian school life.

Parents – if you ever need to speak to me, please see me at the end of the day or make an appointment at the office.

Kind regards,

Miss Macalister

ST JOHN THE BAPTIST
CHURCH OF ENGLAND SCHOOL

Important information:

- Please ensure all your children's clothing is labelled clearly with their name.
 - Please consider booking non-emergency appointments out of school time to avoid missed learning.

Key dates

A colorful poster with a blue background and autumn leaves. At the top, it says '06.09.23 - 20.10.23' and 'Important dates for: Autumn First Half Term 2023'. Below are several orange boxes with dates and descriptions of events.

22nd September **Jeans for Genes Day**
Children wear Jeans and bring £1 for charity!
(School jumper and shoes as normal)

September & October **Meet the Teacher sessions (at 8:45 - 9:45am)**
Monday 25th September - Year 4 Tuesday 26th September - Year 6
Friday 29th September - Year 5 Monday 2nd October - Year 1
Wednesday 4th October - Year 2 Monday 9th October - Year 3

27th September 8:45am **MacMillan's World's biggest Coffee Morning**
We invite parents to bring a cake and join with other parents for a lovely morning of coffee and chat as we raise money for MacMillan.

3rd October 8:45am **Parent's Coffee morning:**
Learning to read (Phonics) in Reception
We will be exploring how children in Reception are learning to read and how you can support at home.

11th October 8:45am **Parent's Coffee morning:**
Learning to read (Phonics) in Year 1 and 2
We will be exploring how children in year 1 and 2 are learning to read and how you can support at home.

18th October 8:45am **Parent's Coffee morning:**
Online Safety Meeting
Exploring the current risks, understanding age restrictions and top hints and tips to stay safe.

20th October **Last Day of Half term**
School ends @3:30pm

Reading

Holly class will be reading in groups to support them to decode and read fluently. We will be discussing the meaning of words and learn how to deduce and infer based on the information given. You can support your child at home by reading with them for 20 minutes daily. Reading books will be given weekly, please return them so new books can be given.

RE

Our big question this half term is 'What does the Lord's prayer mean?' As part of this, we will consider the importance of how we talk and respect others and their feelings. We will consider the meaning of temptation, praise and eternity in the Lord's Prayer.

Computing

Building on work on Scratch in Year 1, we will teach the children about simple coding instructions on Scratch to animate a sprite. Children will choose a sprite, select a backdrop and use existing code to animate the sprite.

PE days

PE this term is on **Tuesdays**. Please ensure children come to school in the correct PE uniform.

Writing

In writing this half term we will begin our writing cycle with a past tense recount of how we spent our weekend. We will be focusing on forming sentences with capital letters, finger spaces and full stops. We will learn about characters in different cities using Talk4Write actions to retell the story.

Maths

This term we will be looking at place value. We will recognise what tens and ones are and how to represent these using pictures and concrete resources. We will as always practise our 2, 5 and 10 times tables.

History / Geography

This half term we will be becoming historians by looking into Our local area, Hoxton. We will talk about the Anglo-Saxon period of 'Hoch's farm' and our farming past. We will also learn about the Great Fire of London and the Tudor era. We will also be using maps to locate the 4 countries of the UK and name their capital cities.

Science

As part of our topic 'Our Hoxton' we will be focusing on food we can find in Hoxton, looking at where food grows from and the conditions they need to grow. We will learn about plants and what a plant needs to grow healthy and strong. We will also take part in investigations and experiments about the needs of the plant and conduct a fair test.
